

Forest School for All **- Cambridgeshire's** **Forest School Consultation**

Our vision is to develop Forest School activity for all children and young people, through a new partnership with schools, settings and other learning providers.

Help us to shape this vision and take it forward at one of two interactive consultation events.

Our Aims for the events:

- To give you the opportunities to explore first hand Forest School experiences and enjoy a hot drink around the fire.
- To share Cambridgeshire County Council's Forest School vision and to seek your views on it
- To share the philosophy and consider the outcomes of Forest School practice. **Sara Knight**, International Forest School Author, will give a presentation about Forest School and the impact of holding regular sessions. Discount vouchers for her publications will be available.
- To find ways, through discussion, to support schools and settings to offer regular Forest School sessions by exploring the following issues:
 - Training needs
 - Support networks
 - Challenges and barriers, e.g. access to wild area, qualifications, costs, releasing staff, etc.
